

Three employment opportunities are currently available in a well established Adelaide sports and orthopaedic physiotherapy clinic.

Full Time Sports Physiotherapist – Adelaide/Hindmarsh

We have an exciting full time opportunity for a motivated private practitioner with sports injury and orthopaedic rehabilitation experience, including hydrotherapy, to replace a relocating clinician. Working in our City and Hindmarsh clinics, the successful candidate is expected to have a busy and varied musculoskeletal caseload immediately.

Part Time Orthopaedic Inpatient Physiotherapist – Adelaide

We are seeking expressions of interest from an orthopaedic physiotherapist, with at least 2 years relevant orthopaedic inpatient experience, to work part time as an inpatient orthopaedic physiotherapist. Some weekend work could also be available. Start date is negotiable.

Locum Sports Physiotherapist May 2010 – Adelaide/Hindmarsh

We are seeking an experienced sports physiotherapist, with orthopaedic rehabilitation experience, for a locum opportunity in May 2010 with a possibility of more work.

Wakefield Sports Clinic is a multi-disciplinary sports medicine clinic that includes:

- Sports Physicians
- General Practitioners
- Physiotherapists
- Massage Therapists
- Dieticians
- Podiatrists
- Sports and General Psychologists

and enjoys a close alignment with a large group of on-site Orthopaedic Specialists.

Our team works with many of Australia's sporting elite including:

- Adelaide Football Club (AFL)
- Adelaide United (A League)
- Australian Women's Soccer Team (The Matildas)
- Australian Beach Volleyball Program
- Adelaide 36ers (NBL)

Generous remuneration is offered, with an enhanced package available to candidates with relevant experience and/or post-grad qualifications.

We have a fun and motivated team, committed to on-going professional development and offer a flexible work environment to encourage involvement in providing physiotherapy services to social, amateur, right through to elite level sporting clubs and teams.
